

Turkey, Apple, & Cheddar Bites

Ingredients

About 10 slices deli turkey breast (about third of 9oz package)
8 oz cheddar cheese
2 apples
1 tablespoon lemon juice (optional, see Note)
20 toothpicks

Directions

1. Cut slices of deli turkey breast into 1-inch wide strips and fold into square stacks.
2. Cube cheddar cheese into roughly 1-inch pieces.
3. Slice apples into roughly 1-inch pieces.
4. Skewer an apple piece, cheddar cheese cube, and stack of deli turkey breast onto a toothpick. Repeat with remaining ingredients and toothpicks.
5. Serve immediately or chill and serve later.

Notes: If serving bites later, toss apple cubes with lemon juice to prevent browning. This recipe can easily be scaled down as needed.
